OFFICE OF PETITIONS

In re Patent No. 6,963,430 B2 DECISION ON

PATENT TERM ADJUSTMENT Noriaki Matsui Issue Date: November 8, 2005 AND NOTICE OF INTENT

TO ISSUE

Application No. 09/909,877 Filed: June 23, 2001 CERTIFICATE OF

Attorney Docket No. 03500.015590 CORRECTION

This is a decision on the "REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705(d)", filed January 9, 2006. Patentee requests that the patent term adjustment indicated on the patent be corrected from seven hundred eighty-seven (787) days to eight hundred seventy-eight (878) days.

The petition is **GRANTED**.

The patent term adjustment indicated on the patent is to be corrected by issuance of a certificate of correction showing a revised Patent Term Adjustment of eight hundred seventy-eight (878) days.

On November 8, 2005, the above-identified application matured into U.S. Patent No. 6,963,430 B2. The instant request for reconsideration filed January 9, 2006 was timely filed within two months of the date the patent issued. <u>See</u> §1.705(d). <u>See also</u> §1.7(a). The Patent issued with a Patent Term Adjustment of seven hundred eighty-seven (787) days.

Patentee states that the patent is not subject to a terminal disclaimer.

Patentee asserts that he should not have been assessed applicant delay of ninety-one (91) days for the submission of a "LETTER" on August 10, 2005, after the Notice of Allowance was mailed on July 15, 2005.

A review of the record reveals that the "LETTER" is in actuality a response to the examiner's reasons for allowance, the filing of which has been deemed by the Director to not constitute a failure to engage in reasonable efforts under 37 C.F.R. §1.704(c)(10). Accordingly, the assessment of ninety-one (91) days of applicant delay with respect to this filing is not warranted.

In view thereof, the correct determination of PTA at the time of issuance is eight hundred seventy-eight (878) days (878 days of PTO delay and 0 days of applicant delay).

Receipt of the \$200.00 fee set forth in 37 C.F.R. §1.18(e) is acknowledged.

The application file is being forwarded to the Certificates of Correction Branch for issuance of a certificate of correction in order to rectify the error regarding the patent term information. See 35 U.S.C. § 254 and 37 C.F.R. § 1.322. The certificate of correction will indicate that the term of the above-identified patent is extended or adjusted by eight hundred seventy-eight (878) days subject to any disclaimers.

Telephone inquiries specific to this matter should be directed to Cliff Congo, Petitions Attorney, at (571)272-3207.
